

GREEN GREEN PROGRAM

A GLOBAL PARTNERSHIP FOR SUSTAINABLE AND RESILIENT LANDSCAPES

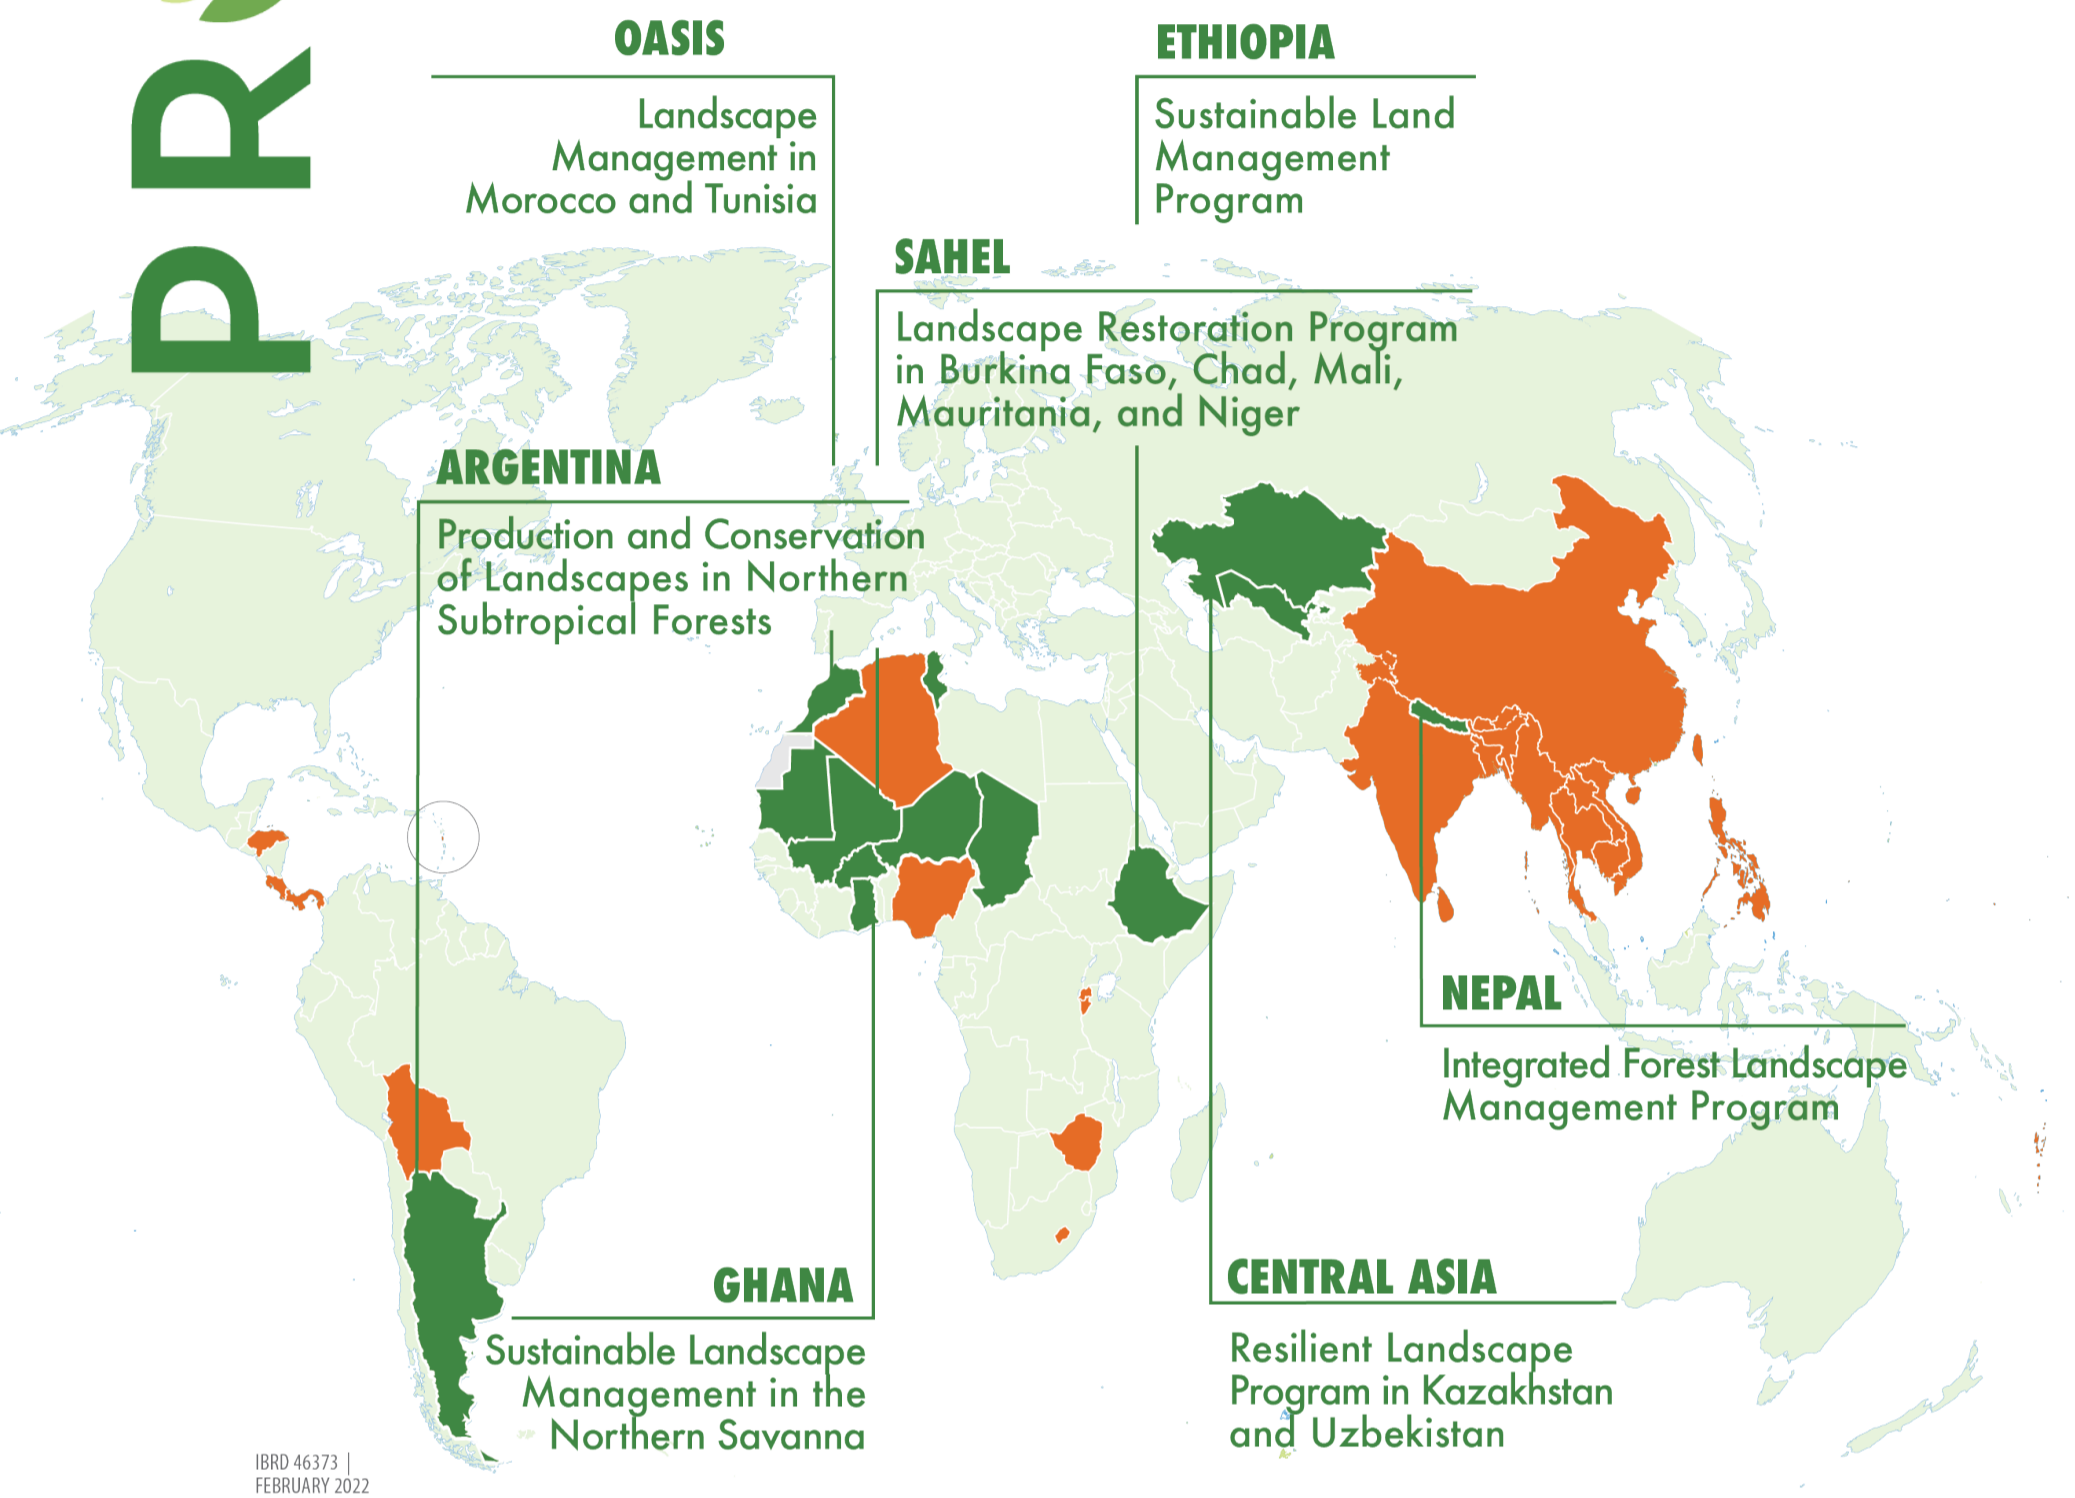

STRENGTHENING FOREST AND LANDSCAPE MANAGEMENT

PROMOTING SUSTAINABLE LANDSCAPE PRACTICES

SUPPORTING CROSS-SECTORAL LANDSCAPE SOLUTIONS

COUNTRY & REGIONAL LANDSCAPE PROGRAMS

Supporting key activities within existing or planned World Bank forest & agriculture investments in countries committed to sustainable landscape management

COUNTRY KNOWLEDGE ACTIVITIES

Improving sustainable landscape management in countries preparing for landscape level investment or looking to scale-up existing interventions

- Algeria:** Strengthening sustainable forest landscape planning and management to address forest fires in Algeria
- Bangladesh:** Landscape modeling and planning in selected landscapes in the Chittagong Hill Tracts
- Bolivia:** Green Recovery Program for Sustainable and Resilient Landscape Management
- Burundi:** Addressing Drivers of Environmental Fragility in Colline Landscapes
- China:** Reconciling Conservation and Sustainable Resource Use within the Protected Areas System
- Costa Rica:** Informing Agenda Agroambiental
- Dominica:** Integrated Forest Sector Reform
- Honduras:** Prioritizing Forests and Landscapes: Technical Assistance to Assess Opportunities for Growth, Poverty Alleviation, and Increased Resilience
- India:** Strengthening the World Bank's Programmatic Engagement in Terrestrial Landscapes
- Lebanon:** Promoting sustainable forest management to prevent forest fires
- Lesotho:** Landscapes for Wealth: Integrated Catchment Management for Wetlands
- Mekong:** Scaling up Sustainable Forest Landscape Management in the Lower Mekong Subregion
- Nigeria:** Adopting multi-sectoral approaches to climate-resilient landscapes within integrated catchment management
- Panama:** Designing financial instruments and incentives for Integrated Landscape Management
- Philippines:** Tenure Security and Sustainable Landscape Management
- Pacific Islands:** Inputs into the Regional Partnership Framework for nine Pacific Countries
- Rwanda:** Incentive mechanisms for landscape restoration and nature-based solutions in the Congo-Nile Ridge Landscape
- Sri Lanka:** Promoting a Forest Landscape Approach to Transport Infrastructure Planning and Implementation
- Vietnam:** Mapping and Re-assessment of Options for Achieving Net-Zero GHG Emissions from Rice Production in the Mekong Delta
- Zimbabwe:** Sustainable Production Landscape Management

THE GLOBAL PROGRAM

Supporting analytics, information sharing, & capacity building to complement country engagements & advance global forest & agriculture knowledge

FLAGSHIP INITIATIVES investigate, contribute to, and advance knowledge on a major global or regional systemic issue related to sustaining or restoring forest and agricultural landscapes:

Nature-based Solutions and Restoration Financing

Nature-based Solutions and Agricultural Incentives

Improving Forest Landscape Governance

Nature Based Tourism's Contribution to Local Economies

Administered by
THE WORLD BANK
IBRD • IDA | WORLD BANK GROUP
